Carpinus betulus

200-225

Instant Hedging plants

To create an instant hedge these would need to be planted at two plants per metre.
Carpinus betulus (Hornbeam) has vibrant mid green leaves and makes an attractive hardy hedge. They can be clipped to create a neat formal hedge or left as a natural native hedge.

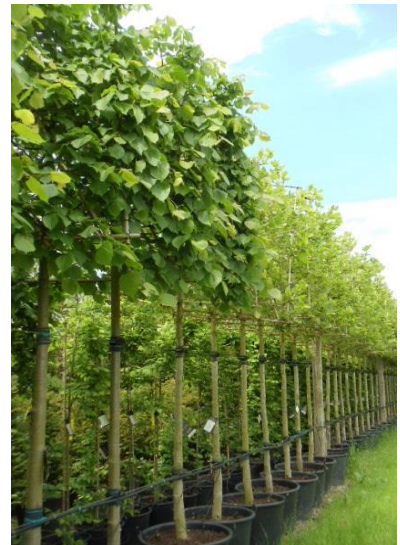

£42.50

Mature Pleached Trees

14-16+

Containerised plants

Pleached trees create screening above a fence without taking away width from the garden. We have a range of mature pleached trees available including Pyrus Chanticleer, Tilia cordata and Platanus hispanica. Our range of freshly pleached trees will be available from July.

From £195
