### **Ilex meserveae Blue Prince** **200-225cm tall.** **Root Balled Plants**

Ilex Blue Prince is the best choice for creating a dense holly hedge. They are bushy plants from the base to the top and create a solid screen.

Plant at a distance of 1.3 plants per metre to create an instant hedge.

**£135**

### **Betula utilis Jacquemontii Multi Stem** **250-300cm tall.** **In Pots**

Betula utilis Jacquemontii (Birch) is an excellent choice for providing light and colour in a winter garden. The bark on the trees really stands out and provides interest and the multi stem nature of these trees provides more of a block of colour in the garden than a standard tree.

**£249**
